GROUP 120

Sir:

In response to the first Office Action in respect of the above-identified application for which the period for reply was extended until March 15, 1980, please amend the above-identified application in the following manner:

Page 5, line 16, correct the spelling of  
"imidazole".

Page 19, line 21, after "art", insert --may  
be made--.

REMARKS

Reconsideration of the rejection of the original six claims on the basis of the cited prior art and allowance of these claims are respectfully requested.

It is submitted that the cited art is no better than that exemplified by the Johnson et al. patent which was provided by the Prior Art Statement or that mentioned
